

Dear friends at All Souls,

Greetings to you all from my family and I. I am fine and working hard now that I am grade 12. I hope you are all fine and that the Lord has continued to bless you and protect you.

We are at the beginning of our cold season and every morning is misty.

I want to recommend the work that the young people from your church are doing to serve the homeless. It is really kind and generous of them. I love it and will commit myself to praying for them as they serve the Lord that way.

I am glad that Lilly is okay though the sculpture looks scary. The artist from Denmark is really talented. Here in Kenya, people make hand bags from trash, doll houses, toy cars and even bracelets.

Thank you for the new prayer schedule and also your prayers. I follow the prayer schedule and pray for you all. I also would advise Abby to keep God first and be well prepared for her coming exams. This will help her reduce anxiety and to be keen during the exams.

This is my last year in high school and am doing great hoping to join the University next year to pursue interior design. I love designing new stuff and also decorating houses and places. I love art and photography too; Abby.

Thank you again for your prayers and sponsorship. May our Lord bless you abundantly.

I hope Kathy Cathey you are okay and doing well. Out of trash I can make toys, baskets while weaving polythene bags and simple house decorations.

I received the prayer schedule that you sent to us. I pray for Sarah and her family, the twins and the All Souls team. I thank you all for your prayers to us all and we will always pray for you too. I pray to God to protect you and guide you always.

Receive greetings from Hussein, your sponsored child. He is fine with his family and hopes you are all doing well and in good health. He is doing great here in Kenya and enjoys being at KDS.

He received the letters written to him by some church members. He wishes to let Laureen know that he is 6 years and in grade 1 and has a sister at KDS by name Molintre in grade 6. He thanks you for the Easter care basket that he received. He wishes to let Laureen know that he can make a ball out of trash, tie it with some fiber and plays it with friends at home.

He received the All Souls letter to him and was glad you are praying for him. The pictures of the trees in the letter reminded him what he saw at upcountry one time he visited. He remembers to have come back from holidays last month and wishes the college students a happy one when they break. He says he is looking forward to having another break in August.

He was shocked a bit on seeing Lilly under the giant wooden statue but after we explained that she was safe, he really laughed.

Dear Friends at All Souls Church,

How are you there in the U.S.A? With me here at our school I am fine and learning many things. We are doing midterm exams which will end on Thursday. We will break for our midterm on Thursday up to next week.

Thank you all who wrote to me letters of Easter. I received them and was happy. I thank Nella for writing me and I tell her that I have a baby brother who is called Kingsley. He is one year old. I want to thank Elaine for the birthday wishes. I celebrate my birthday with friends and we eat cakes, and we drink juice and eat rice. Thank you for the Easter care basket that you bought me.

I thank Kathy Cathey for writing to me and I tell her that I am back to school from Easter holidays and working hard on my studies. During Easter I travelled to another town to visit my aunt. I also thank Ryan for his prayers to me.

I thank you for the last letter you sent to me. Here in Kenya its cold now and we are wearing heavy jackets. I know you are happy because your place is now warm. The picture of Lilly standing under the big giant Sculpture was scaring to me. When I saw it, I thought it was a bad thing but when I finished reading I now understood it not harmful.

I am able to make many things from trash. I have been making a ball from old plastic bags, and I made a toy. I will continue to pray for Sarah, Gordon and the twins. I am praying that God will take care of them and give them enough food.

I was happy to know that Mom Ginger came to your church in April to celebrate Palm Sunday. We have missed her and we pray for her often. I know when she will come we will sing and dance together. I am sending my greetings to her. I am praying for her.

Thank you very much
