Mentoring

What is it?

Mentoring can be one of the most enriching parts of your faith journey, and can help you grow and mature in ways you wouldn't even expect!

Mentoring is an opportunity for you to spend time with someone a little more mature in their faith and have them listen to you, ask you questions, challenge you, and pray with you. You'll meet about once a month with them throughout the year.

What do I have to do?

Mentoring requires commitment from both the you AND your mentor. Signing up for mentoring means that you commit to meeting at least once a month with your mentor throughout the school year.

Other than that, what you and your mentor do is up to the two of you!

I commit to one year of mentoring and all the joys and responsibilities that come with it.

Student name
