

Student Servants Team Application

The Student Servants Team exists to help fulfill the mission of Zao Youth Ministry, *to help students follow Jesus with their heads, hearts, and hands*. Student Servants will be invested in by the youth pastor, and will also be charged with investing in other students. They will serve the youth ministry much in the same way that the youth pastor serves the youth ministry.

The team is not about favoritism or superiority, but about being humble and serving the rest of the group.

Student Servants will be expected to commit to:

- Attend youth group every week, unless you notify Andrew ahead of time
- Meet regularly with a mentor
- Attend monthly Student servants meetings

Student Servants will also

- Be intentional peacemakers at events
- Work to make new students feel welcome
- Pray for students in the community
- Read Scripture regularly
- Support Andrew's rules, even if you disagree with them
- Give honest feedback to Andrew, **especially** when you disagree

To apply,

answer the following questions on another sheet of paper (typed):

- Why do you want to be on the student servants team?
- What does it mean to be a Christian?

By signing this, I commit to one year on the Student Servants Team, and I agree (to the best of my abilities) to follow the above expectations.
