

Student Servants Team Application

Zao Youth 2019

The Student Servants Team exists to help fulfill the mission of Zao Youth Ministry, *to help students follow Jesus with their heads, hearts, and hands*. Student Servants will be invested in by the youth pastor, and will also be charged with investing in other students. They will serve the youth ministry much in the same way that the youth pastor serves the youth ministry.

The team is not about favoritism or superiority, but about being humble and serving the rest of the group.

The requirements for Student Servants are not about being strict, but about committing to the youth group as a whole and to the other members of the Student Servants Team. ***Please talk to Andrew if you have any questions or concerns about these expectations!***

Student Servants will be expected to:

- Attend monthly meetings. Meetings will take place from 5.00p-6.30p on Sunday nights before youth group.
- Read assigned articles before meetings (don't worry, they won't be long).
- Arrive 15 minutes before youth group and help set up tables and other materials
- Stay until the end of **every event**.
- Check Student Servants Slack Channel every 48 hours and respond if there is something Andrew is looking for feedback on.
- Meet regularly with a mentor.

Student Servants will also:

- Be intentional peacemakers at events
- Work to make new students feel welcome
- Pray for students in the community
- Read Scripture regularly
- Support Andrew's rules, even if you disagree with them
- Give honest feedback to Andrew, **especially** when you disagree

Attendance policy

- You are expected to be at all youth group events for the school year. This includes Sunday school or Youth Worship. If you aren't going to be present, you need to notify Andrew 24 hours beforehand.
- If you are late more than three times in a semester, you will have to meet with Andrew one on one to talk through whether or not you want to continue serving in this capacity.
