anglican church

Church Organist Job Description

Position Summary:

To provide organ and piano music for regular and seasonal services at All Souls Anglican Church in Wheaton, Illinois. The church organist facilitates liturgical worship from the organ providing the support necessary for parishioners to worship God through music. This individual will work in collaboration with the Music Committee and Rector to ensure that all musical functions for services are provided.

Qualifications:

- Formal training (or equivalent experience) in organ performance and service playing
- Christ-follower committed to the ministry of the word through traditional church music
- Experience with liturgical worship preferred
- Some piano proficiency desired

Essential Functions and Responsibilities:

- Lead liturgical worship from the organ, including hymns and service music
- Play for extra services seasonally, as requested
- Rehearsal accompanist for the All Souls choir on Sunday morning
- Accompany choir and special music in services, as needed

Remuneration is contracted on a per-service basis.
